

Part Time (4/5) Physical Education and Health Teacher

Explorer West Middle School, a coeducational day school of approximately 95 students in grades 6-8, located in West Seattle, WA, is seeking part-time (4/5) applicants to teach P.E. and Health, plus lead an Advisory, beginning in August, 2013.

The ideal candidate will have the following:

- Four years experience teaching P.E., with the primary focus on middle school (preferably) or high school
- Degree in teaching (BA or BS)
- Experience as a student advisor
- Excellent organizational skills
- Experience coaching athletics
- Proven skill at working with parents
- Good mentoring skills with adolescents

Because Explorer West has a strong Outdoor Education program, a desire to participate in this program is a plus, but not a requirement of the position.

A completed application packet consists of:

- A current resume
- A separate cover letter which must fully address the following:
 - Discuss how your skills and experience qualify you for teaching middle school P.E. and Health
 - Explain how your personal teaching philosophy aligns with the mission and values of Explorer West Middle School

Email your completed application packet to Debbie Ehri, Business Manager, at debbie@explorer-west.org.

This position starts August, 2013.
